BARK SUBIACO

Welcome to Bark! We're the smallest small bar in town and believe you can make a big impact with good old-fashioned hospitality, friendly service and of course great Australian booze – personally sourced (and drank) by our bar team.

Here at Bark Subiaco we can cater for work sundowners, birthdays, bucks, hens, wedding receptions, you name it. We are flexible to suit whatever you can dream up, no group is too small or task too big.

For more information please don't hesitate to contact our Events Coordinator Cassie Barrett on 0466 115 503 or email venue@barksubiaco.com.au

Let us help you enjoy the art of simple things done well and turning down the noise of day to day to life.

Depending on the size of your function we are able to offer a reserved area, half venue or entire venue. We have a beaut' decking area which can also be booked.

Small, intimate, personal. If you want to treat your friends, come on down to BARK.
